

EXPERT TOXICOLOGY (M/F/D)

To support our Toxicology &
Ecotoxicology Team

CLARIANT

We are looking for an **Expert Toxicology (m/f/d)** to join our team effective immediately.

This position is based in the Clariant Innovation Center (CIC) in **Frankfurt am Main, Germany, but global locations may be considered for qualified candidates.**

Responsibilities:

- Conduct safety assessments for chemicals to ensure global compliance and marketability of our innovative products.
- Active, interdisciplinary cooperation with internal and external stakeholders to develop strategies for the safety assessment of chemicals, with particular emphasis on innovative methods (computational & in vitro toxicology).
- Monitoring studies to ensure regulatory compliance.
- Preparation of global registration dossiers (also in cooperation with external service providers).
- Provide expertise and scientific advice to business partners and customers on toxicological safety issues.
- Contributing scientific expertise and representing Clariant's interests in consortia and industry associations.
- Advance development of methods for chemical and risk assessment through active participation in scientific societies and expert groups.

Requirements:

- Advanced degree in toxicology or a toxicology-related discipline (PhD preferred).
- Interest in developing expertise in modern toxicological methodology.
- Experience in the planning and interpretation of toxicological and regulatory studies (e.g. OECD Test Guidelines).
- Strong analytical and conceptual thinking skills.
- Independent work and team orientation.
- Strong communication and cooperation skills.

We offer:

- Very interesting, varied and challenging scope of work in a global environment.
- Individual training and professional development opportunities.
- Collegial atmosphere in an agile team.
- Attractive and performance-related remuneration.
- Social benefits of a modern company.

Clariant is a focused specialty chemical company led by the overarching purpose of 'Greater chemistry – between people and planet'. By connecting customer focus, innovation, and people the company creates solutions to foster sustainability in different industries.

On 31 December 2022, Clariant totaled a staff number of 11 148 and recorded sales of CHF 5.198 billion in the fiscal year for its continuing businesses.

As of January 2023, the Group conducts its business through the three newly formed Business Units Care Chemicals, Catalysts, and Adsorbents & Additives. Clariant is based in Switzerland.

If you are ready to take the challenge at Clariant and the job description inspires you and corresponds to your qualification, please apply online (#37099) via www.clariant.com/careers.
